Virtual Fall Orchestra Concert  
October 25, 2020

Dear Orchestra Families,

Our Virtual Fall Concert is this week! Our students have put forward some terrific work and we are excited to share their performances with you. This will be a **streamed performance** that friends and relatives can view. Please share the link! [Bay High Live Youtube Channel](#)

There is a secondary, live performance layer to this concert. Students will perform in their living rooms in real time with their recorded class performances. Giving a live performance is one of the most important goals of our concerts - this shared experience represents a gift to the listener and the culmination of all of a student's study to that point. No one will see their live in-home performance except their family members in the room. Students will only be on Zoom long enough for us to take attendance, make sure everyone's instrument is in tune, lead them in a quick warm-up and offer a parting pep talk. However we are asking our students to dress up for their home performance as it will mark the event as a special occasion. Students can wear any dress-up clothes or Halloween costume for this performance as they will not need to match each other as they would on stage. That being said, we would love to see pictures and videos of the concerts you are witnessing at home!

Here are the details for the day of the concert:

**Wednesday, October 28**

6:30 - HS Orchestra Attendance, Tuning & Warm-up Zoom

Students need to watch and listen to the entire performance, even if they themselves are finished performing. Assessing our own musical accomplishments and creating goals for future achievements is a big part of growing into the kind of musician we'd like to be.

Thank you for all of your patience and support as we navigate this brave new world! It is an honor to know your children and help guide them on their musical journey.

Let us know if you have any questions.

Best wishes,

Carrie Singler & Ann Gilbert
